We are writing to inform you about upcoming carriageway maintenance works which will require nighttime road closures on **A534 Broxton Road, Clutton.**

Please see the key details of the works below:

1. **Location**: A534 Broxton Road, Clutton
2. **Type of works:** Carriageway Resurfacing
3. **Week commencing:** Monday 16th November 2026
4. **Working Hours:** 19:00 – 06:00
5. **Permit No**: UE50021059103

What to expect during these works:

- **Vehicle access:** Roads will be closed to through traffic while being worked on. Access for residents and businesses will be maintained when it is safe to do so. Please speak directly to the team on site if you require access; there may be shore delays while the site is made safe for vehicles to pass.
- **Pedestrians:** We will endeavour to maintain pedestrian access throughout the works.
- **Parking:** We kindly ask that vehicles are not parked on these roads during working hours. Works cannot be completed in areas right next to parked cars.
- **Drying time:** The material used remains wet for one to two hours after being laid. Please allow time for the surface to fully harden before walking or driving on it.
- **Noise:** There may be some noise during working hours due to mandatory vehicle reversing alarms.
- **Weather:** All works are weather-dependent and are subject to change.

Staying informed:

- On site information boards: Information boards on-site will be updated with the specific dates and times.
- Live updates: For the official diversion routes and live tracking, please visit the Council's roadworks map: https://cwacvi.symology.net/en-gb

Contact & Feedback: For further information or to give feedback, please visit www.cheshirewestandchester.gov.uk/residents/highways

We apologise in advance for any inconvenience these works may cause and appreciate your patience while we complete these improvements.

Best regards,

Please note Cheshire West and Chester no longer use One.Network for Live roadworks – Please use Live roadworks | Cheshire West and Chester Council

Please note we will only be responding to enquiries received through the system and not directly to emails submitted to the inbox.
